Top Five Romantic things to do at Bucuti & Tara

1. Get Engaged

This is Nick and Kiley from St. Clair Shores, Michigan

Early January of this year, Nick reached out to us to help him arrange his proposal of marriage. We could not be more honored to prepare cabana on the beach for their sunset dinner last week. We hid in plain sight at Elements restaurant at dinner and took photos of their important moment as it unfolded and here it is.

They met in the summer of 2019 through the game of golf. Nick tells us that he decided to take his best friend to a play some challenging golf, enjoy the warm Caribbean breeze, enjoy the beauty of the most beautiful beaches and ... propose. Congratulations Nick and Kiley!
